

# Mapping SLOs

## Access eLumen

- Login to Pipeline, select "Faculty" → "Class Management"
- Click the link for "SLO Scoring" (this opens eLumen)
  - A) Verify that your role is set to "Department Coordinator" (this is a drop-down just under the SBCC banner at the top of the page)
  - B) Verify that you are accessing the correct department/program (this is a drop-down in the top right corner of the window)
  - C) Click the "SLOs & Assessments" tab near the top of the page

The screenshot displays the eLumen interface for Santa Barbara City College. At the top, the SBCC logo and user role 'Department Coordinator' are visible. A dropdown menu in the top right corner is set to 'CIS'. The 'SLOs & Assessments' tab is selected in the navigation bar. Below the navigation bar, there are filters for 'Type' (set to 'Course'), 'Course Group' (set to 'No Course Group selected'), 'Include Inactive SLOs' (set to 'No'), and 'Include Inactive Courses' (set to 'No'). The main content area shows two summary boxes: 'Unmapped CSLOs' with a value of '21 of 83' and 'CSLOs without Assessments' with a value of 'All Completed'. Below these boxes, a table lists SLOs for 'CIS101 - Intro To Computers&Info System'.

CIS101 - Intro To Computers&Info System	
<input type="checkbox"/>	Add CSLO
<input type="checkbox"/>	CSLO
<input type="checkbox"/>	CIS101 SLO 1 - Terms - Use critical computing concepts and terms in context
<input type="checkbox"/>	CIS101 SLO 2 - IT Role - Explain the role of computer technology in modern organizations
<input type="checkbox"/>	CIS101 SLO 3 - Ethics Privacy - Debate the ethical and privacy issues resulting from the use of computer technology

- “Unmapped CSLOs” shows the number of Course Student Learning Outcomes that need to be mapped to Program Student Learning Outcomes (PSLOs) and/or Institution Student Learning Outcomes (ISLOs).
  - Click in the middle of the “Unmapped CSLOs” white box to map them.
